

Building Bug Lab

Phil Sirvid ^{*1}

¹ Te Papa, 169 Tory St, Wellington

Te Papa's *Bug Lab* exhibition was conceived as a cross-generational science-based touring exhibition. At time of writing, it has already passed the 100,000 visitor mark. This talk looks at the development of this exhibition including the science behind it and the collaboration with the multi-award winning Weta Workshop that helped bring it to life.
